DegreeWorks: Look Ahead

1. Enter student’s ULID number in the Student ID field on the left hit Enter on the keyboard and then click on “Look Ahead.”

2. Enter subject and course number:
3. After all courses are listed, click on Process New.
4. Example of complete Look Ahead Audit:

**NOTE:** The Look Ahead function is available on both the What-If audit and on the Worksheets tab. The Look Ahead allows the audit to reflect unregistered classes the student plans to take in future terms. As with the What-If it is important to remember that these audits are not saved, but can be printed and run again.
